

## tesa® ACX<sup>plus</sup> Multi Purpose (MP) Acrylic Foam Tapes

**tesa® ACX<sup>plus</sup> MP** is a high performance, cost-effective product line of acrylic foam tapes specially designed for use in a wide range of applications such as mounting, bonding, sealing, vibration damping, shock absorption, and more. **ACX<sup>plus</sup> MP creates a lightweight, permanent bond between substrates while spreading the stress load across the entire joint.** ACX<sup>plus</sup> MP is an excellent alternative to select when replacing screws, rivets, welds, and other forms of mechanical fastening in your design.

### Characteristics of tesa® ACX<sup>plus</sup> MP

- Two products offered with differing thickness: tesa® ACX<sup>plus</sup> MP 7273 at 32 mils (0.812 mm) and tesa® ACX<sup>plus</sup> MP 7274 at 45 mils (1.143 mm)
- Color: light gray
- Viscoelastic, closed-cell, acrylic adhesive foam construction
- Resistant to hot, cold, and cycling temperatures, environmental conditions, UV light, moisture, and solvents
- Applies easily, quickly and accurately to a variety of surfaces
- Smooth, invisible appearance when applied
- Great initial tack and excellent permanent adhesion once fully cured
- Easy to die-cut into custom parts and components to fit your design
- Die-cut parts can be kiss-cut to a liner, supplied on rolls, or individualized
- Die-cut parts can be manufactured with pull-tabs or extended liners for ease of placement

### AS A TESA® PLATINUM DISTRIBUTOR PARTNER MARIAN HAS ACCESS TO:

#### TESA'S EXTENSIVE ADHESIVE AND TAPE PRODUCT LINES

Marian has access to a broad selection of tesa's premium tape products. We keep many tesa materials in stock for quick sampling and prototypes.

#### EXCELLENT TECHNICAL SUPPORT

Marian collaborates with tesa technical experts who support customer projects with troubleshooting, product development, and material testing.

#### SALES SUPPORT AND TRAINING

Each of Marian's Sales Engineers works closely with tesa sales representatives in their geography. Marian Sales Engineers also receive regular training on the newest adhesive developments and new product launches by tesa.

PLATINUM  
DISTRIBUTOR  
PARTNER

Marian is a global leader in providing precision die-cut component parts for customers in the consumer electronics, automotive, and medical industries. With over 1,000,000 square feet of production space worldwide and state-of-the-art manufacturing technologies, Marian engineers work closely with customers to solve complex manufacturing and assembly problems. Marian's responsive approach, in-depth material knowledge, innovative manufacturing capabilities, and high standards for quality all add up to provide you with the best component solutions in the industry.
